h
do blood"

have vomit over here

Dr. Lung
Lin Lung
patient - (Chinese) oo zing

Lee Xian
Walter Fawcett

lingin in the E.R.

woman enters ER - blood is
sprouting from her arm.

oo zing - Dr, I need ~~help~~ help,
my arm is falling off

Dr Lung - Cant you see Im busy
saving this mans testicle?
How selfish can you be?

oo zing (~~faints~~ + convulses) -
Aghhh - blagh - aieee !

Nurse Linda Dynel - Please mess your
screams are very disturbing.

oo zing - Cant you give me something
for pain?

Nurse - We dont dole out narcotics friv-
ously in the ER. Are you another
junkie? - the Rehab's next door

oo zing - But my arm is falling off

nurse - Oh stop being such a
sissy. Your self centered whining
is a real turn off.

OO Zings arm falls off - blood
~~sp~~ spurts across the room
hitting nurse Dynel in the face

nurse Dynell - Ahh help - she's giving
me aids. Ebola!

THE
LGBTQ
HISTORY | PROJECT

Hey sister wanna
blood I got
od.

everyone ignores OOzing's arm lying
on the floor. OOzing has meanwhile
run out into the street

I got Ebola, aids
~~and~~ mad cow disease

Dr. Lung - You should have been
wearing your space face shield
Nurse Dynel

Amanda Reckewitz (Talula)
enters the E.R. She is a Broadway
(famous) has-been.

Amanda - Dr. darling I have
a terrible pain in my breast but
now that I look at you I feel
better.

Dr. Lung - Why you're that talented
Broadway star I saw you when I
was 5.

Amanda - aren't you forgetting gorgeous
Lung - Oh yes, gorgeous

Amanda -
yes darling. Would you come
here & put your hand on my
breast.

Dynel - Oh brother. are you desperate
broadway has been ever going to
stop using the E.R. for your
private ~~pick~~ pick-up joint.

Lung - I'd love to Mr but I've got
my hand on a swollen testicle
Hell will break

THE
LGBTQ
HISTORY | PROJECT

you say that to

Dynel - girls?

Amanda - Is that blood on your face
or are you happy to see me.

I'm Mita Chondrea, research
fellow

but you're a ~~woman~~ woman?

I know, but I'm a fellow

Oozung runs back into ER
My arm has anyone seen it. Help.

Dr. - Take that woman into
exam room 12 - and isolate her
she just gave one of my nurses
Ebola -

me me me me they

cell phone - I'm standing right
well did you put them on hold

Songs - Singin in the E.R.

1. ~~Deja Vu~~
2. Runaway - nurse Dynel + Dr Lung
3. Rock Therepy - Amanda + nurse Dynel
4. Biggest Balls in Town (?) - ^{Amanda +} nurse Dynel
5. Foolin Around (?) - ^{Amanda +} nurse Dynel
6. Singin in the E.R. (Islands)

THE
LGBTQ
HISTORY | PROJECT

Singin in the E.R.

a Chinese woman enters the E.R.,
blood is spurting from her arm

OO-Zing - Doctor! I need help - my
arm is falling off.

Dr. Lung - Can't you see, I'm busy
saving this man's testicles!
How selfish can you be?

OO-Zing (convulsing) - Aghh - blagh
aiee!

Dr. Lung

Nurse Linda Dynel - Please Miss, your
screams are very disturbing
to the other patients

OO-Zing - Can't you give me something
for pain?

Nurse Dynel - We don't dole out nar-
cotics frivolously in the E.R.,
are you another one of those
junkies? The Rehab's next door

OO-Zing - But my arm is falling off!

Nurse Dynel - Oh Don't be such a sissy
your self centered whining is
a real turn off.

00-Zing's arm falls off. Blood spurts across the room, hitting Nurse Dynel in the face

Nurse Dynel - (screams) Aieee! help! Shes giving me Ebola

Scabby the Junkie - Hey sister, wanna taste my blood. I got genuine Ebola blood. I'll sell ya some - 5 bucks

Dr. Jung continues to scream
nurses 00-Zing lying on the
runs out.

Scabby - 5 bucks for the Ebola, \$10 for syphilis + 20 for my mad cow disease blood

Dr. Jung - What about Toxic Shock Syndrome?

Scabby - I had that in '89 when I swallowed a Tampax

Nurse Dynel is dunking her head in Alcohol

Dr. Jung - Nurse Dynel, you should have been wearing your Face space shield.

Scabby - Hey nurseie I'll give ya a good deal on some fresh puss!

Nurse Dynel - (her Dynel wig is drenched in alcohol + blood)

Listen buster I dedicate my life to help pathetic scum like you.

Scabby - Scum! that'll cost ya extra

Nurse Dynel - You disgusting low-life filth why dont you O-D + die

Scabby - I love it when ya sweet talk me.

A man stumbles into the E.R., he is green, foaming at the mouth.

Green guy - Doctor, Doctor help me - I'm dying! (He starts to

Dr. Lung - You can fade out,
fail, kick the bucket,
bleed out, not make it,
Gork, shut down, pass on,
pass away, whither away,
slip away, exit, flatline,
moulder, suffocate, exangunate,
asperate, expire, go to the
Happy Hunting Ground,
check out or Bang Off -
but we do not ever use the
D word around here - It scares

THE
LGBTQ
HISTORY | PROJECT

is

speech - Green Guy
died

make horrible, guttural noises)

Dr. Lung - Look sir, you have to check in at the front desk like everyone else.

Green Guy - I'm dying, I'm dairing!

Dr. Lung - There'll be none of that in my E.R.

Green Guy - Help me!! Pleaseze!!

Dr. Lung - (see insert) ~~Fade, fail, kick, not make it, on, pass away, either, shrivel, expurginate, asperate, check out or~~

~~Bang Off but we do not ever use the D word around here. It brightens patients. During this speech Green Guy has died.~~

Nurse Dynel - Someone get the crash cart for God's sake!

Scabby - You forgot crashed!

Dr. Lung - Has anyone seen this patient? Nurse Dynel check his vitals.

Nurse Dynel - He doesn't have any vitals.

Dr. Lung - Time of death?

Nurse Dynel - He banged off at 12:02.

OO-Zing runs back into E.R.

OO-Zing - I found my arm! - Help me!

Dr. Lung - Take this woman into exam room 5 - She just gave my nurse Ebola!

Song - Rock Therapy!

Runaway - (Nurse Dynel & Dr. Lung)

Scene II - Song - Singin in the E.R.

Amanda Reckwith enters the E.R. she is a famous Broadway has-been. She sidles up to Dr Lung. She sings [song]

Amanda - Doctor darling, I have a terrible pain in my breast, but now that I look at you, you gorgeous man - I feel better.

Dr Lung - why, you're that talented, famous Broadway star - my mother took me to see you when I was 7.

Amanda (sneers) - Aren't you forgetting gorgeous?

Nurse - gorgeous (He rolls his eyes)

darling, would you come and put your hand on my breast?

Nurse Dynel - (who has been lurking + eye-rolling)
Oh brother, are you desperate Broadway has-beens ever going to stop using the E.R. as your private pick-up joint?!

(7)

Amanda - (to nurse Dynel) Oh Stuff it, sister, (to Lung) Doctor Darling, my poor lonely breast is waiting patiently for your manly, pulsating, talented hand.

Dr Lung - (who's been working on an already expired green guy) I'd love to Miss, but I've got my hand on a swollen ~~if I remove~~ will break loose!

you say that to ~~als~~ (she bats her eyes)

Nurse Dynel - girls? V. [song Biggest Balls] a stream of blood shoots out of Green Guy & hits Dr Lung.

Amanda - Doctor, is that blood on your face or are you glad to see me?

Dr Lung - (smiling) Nurse please clean my face

THE
LGBTQ
HISTORY | PROJECT

(8)

Nurse Dynel - That's not in my union contract; I only wipe up piss & semen.

Amanda - That can be arranged - [Amanda & Dr Lung laugh hysterically]

Oh! [Amanda grabs her stomach which is huge] Doctor - ~~help me!~~ Could you take a peek at my fabulous Vagina

Dr Lung - Well, I don't know, I'm not really a gynochologist.

Amanda - Really? You look like a gynochologist - You have that kind of face.

Dr Lung - Alrightee, Just scoot down and I'll take a piece, uh I mean a peek. Oh nurse Dynel please bring in a speculum.

Nurse Dynel - Just a minute while I get it out of the freezer.

Amanda - Doctor darling, what ever are you going to put into my vagina?

Dr Lung - This instrument will allow me to get my hand inside you.

(9)

Amanda - but dahling, you dont need any help for your hand my vagina will cooperate

Dr Lung - Realy well, all right lets see - mmm - Oh - Ah - Ah ha Ah ha, Ah hoh - ooo

(Dr Lung's hand + arm are disappearing)

You do have a welcomming Vagina

Amanda - Vel comin bien venu welcome Velcomin bien venu doctor!

(baret)

huh Uh huh

h? - Lets see -

here (he begins

ha) This looks

like a hand and its moving - Nurse bring the oxygen, this woman's giving birth.

Nurse Dynel - Why you tramp! Why cant you unwed mothers stop turning this place into a depository for your little bastards.

(Herve's head is now protruding

(10)

out of Amanda's vagina)

Nurse Dynel - Its ^{that} guy - I recognize that face anywhere

Herve - ooo baby I want you sooo bad

Amanda - I told him to get out of me but he never listens. The man is relentless

Dr Lung - (he is busy removing a bloody midget from Amanda's vagina) We've got to get his dwarf out of here!

Herve - No! I dont want to leave you my darling. I want to stay inside you forever And by the way I am a midget.

Dr Lung - but arent you having trouble breathing in there

Herve - I found a small opening out her belly button.

Nurse Dynel - Oh stop this nonsense

Herve - ^(Looking at Nurse Dynel) Oo baby, youre so beautiful I want to fuck you.

Nurse Dynel - I will not stand for this - its sexual harassment its disgusting - its ...

Herve - oo baby come here - I want to kiss you - I will make you feel so faboo lous!

Dr Lung - I must remove this creature from this womans vagina before she has a toxic reaction to this

a dwarf, I am a

are sir, I want you out of my vagina - o-u-t!

Herve - But darling I can't live without you - you are my love, my life.

Dr Lung - I've got you now - (he pulls Herve out) he scampers away

Herve - Au revoir mon cherie - I must be off
Toot a loo ah demain I see you later babee

They sing Rock Therapy

Amanda - Doctor youve saved me - How do I ever repay you and your talented hand.

Dr Lung - Ms. Reckewith youre embarassing me - Why I'm just a ordinary Fellow

Amanda - Id call you a great guy

Dr Lung - No, I mean I'm a fellow on staff in this hospital

Amanda - Of course you are and your a beautiful prince of a man

Nurse Dynel - Im puking - watch out everybody I might have Ebola

[Scabby (returns) Nurse! give me my juice

Nurse Dynel - Come over here I'll administer your overdose - I mean dose

Dr Lung - Nurse Dynel - you know this man can't have his methadon until he speaks to Dr. Bleedhart from psych

(13)

Nurse Dynel - I'll page him (she sticks her tongue out at Dr Lung)

[Jennifer Berkowitz, social worker enters]

Jennifer - Is there a ~~scabby~~ ^{scaby} here?

[Scabby falls over with a crash as Martha Donian nudges him]

Scabby - Hey don't push, sister!

Jennifer - Scaby please report here, Scaby
Scabby stumbles over to Jennifer and falls on her
Jennifer - Sir watch where you're falling, oh

THE
LGBTQ
HISTORY | PROJECT

inton-though Hillary

here and I'll begin
testing
st, my pulse?

I ain't got one sister. Ha ha ha ha.

[Scabby falls over laughing, then choking]

Jennifer - Mr. Scaby, this isn't a joke

Scabby - That's Scabby, Scabbby - and don't pick on me sister. (he sticks his face into hers and stares) That's a joke.

Jennifer - [Reacting to Scabby's bad breath] Please don't sit so close, I think one of your fleas just jumped on me.

(14)

(2) 140B

Scabby - (after several minutes) : leans
No really - I'm only 17 : in?
(he bats his eyes and smiles - :
Jennifer's head is in her hands - :
she's crying) : uit]

Jennifer - Listen, if you don't cooperate and this session is over

Scabby - No! Don't leave me - I Love : over
ya baby - nooooo! : his eyes]

Jennifer - (prying his hand off her leg). First
That's impossible - you just met me. J-

Scabby - That's the kind of hairpin : infuse
I am - (he sings raspily) : s a
"I fall in love too easily"
"you are so beautiful to me"
can't you see e e e e"

Jennifer - Mr. Scabby you've just made
me realize my true calling

Scabby - Oh boy - who's on the line?

Jennifer - No sweetie, I realize that I
can't be a social worker anymore - king
I'm gonna be a Dominatrix!

Scabby - I was wasted as a baby - man - All I could
do was sleep, puke, drool, piss and babble.

Act II . scene 1

Dr Lung (rushes into ER. he is huffing & puffing) where is she - Is she trailing me?

Nurse Dynel - No but she could be stalking you

Dr Lung - who are we talking about?

Nurse Dynel - Any woman under the age of 60

Dr Lung - Never mind - Any patients for me to attend to?

Nurse Dynel - Well, you are the attending -
ha ha ha.

THE
LGBTQ
HISTORY | PROJECT

ny nurse, I'm sure you
unny when I assign you
ward.

afraid of you. (she
stage whispers) I'll tell your wife,
Marylyn what you're up to.

Dr Lung - WHAT (screaming) What am
I up to - what am I up to that
you haven't been knee deep in the
shit too!

Nurse - Oh - Don't make me scream sexual harrassment - I'll have a lawsuit on you that will put your liscence into the crapper along with your bank account (They now look around and notice the Entire ER. is stopped & staring) people are bleeding etc)

Dr. Lung - Alright, Alright, Just show me to the next patient

Nurse Dynel [collecting herself] brings in a woman whose ass is in a sling)

THE
LGBTQ
HISTORY | PROJECT

is responsible for this that was placed on this backside.

Nurse Dynel [giggling] you mean her posterior, rear end, rump, buttocks, butt, ass, arse, bum or my personal favorite, tooshie.

Scabby - [stumbles in]

Did anyone call me?

THE
LGBTQ
HISTORY | PROJECT

Nurse Dynel -
Scabby - No need
after everything
Nurse Dynel - Shut
Scabby - Now yer
[He stumbles

Woman [whose ass is in a sling]

My husband did this to me - He said
if I came home drunk one more
time He'd put my ass in a sling

Dr Lung - Did he injure your ass or put
it in a sling?

Woman - He handed me my ass so I put
it into a sling.

Dr Lung - Nurse Dynel call psych?
Amanda Reckonwith enters in a Virgin
[Mary costume]

Amanda - I must see my darling
Doctor Lung

[Dr Lung is seen hiding and waving to
Nurse Dynel]

Nurse Dynel - Well ah - we have many many
doctors here at Saint Viles (or St Victies)

Is he an attending or a Fellow?

Amanda - He's a Fellow with good attendance
ha ha ha ha darling

Churse Dynel is sneering at Amanda - Dr Lung
puts his head in his hand]

Nurse Dynel - [sneering] what are you suppose
to be - mother of God?

Amanda - well I aint Madonna sweetie
[there is a crash as Scabby, nodding - knocks
over the medicine cart]

Scabby [waking up] - I didn't do it - Can I
have some dope?

[Dr Lung pulls Scabby + covers him with a sheet]

Amanda - Nurse! I have to get back to Broadway
we're doing a revival of Jesus Christ Superstar
and I'm about to give birth to the Messiah

Nurse Dynel - Is it my imagination or do you give
birth on a regular basis?

[Dr Lung waves at nurse Dynel to get rid of Amanda]

ep
onel, baby
nt to each
other,
wad
et cheeks?
ir + passes
out]

(19)
Nurse Dynel - (Smiling) (Ignoring Dr Lung) Who's playing Jesus? Mandy Potamkin - Oh I love him.

Amanda - (Sneering) No darling It's Puffy and it hurts!! [she holds her vagina]

Nurse Dynel - It must be the knives and the guns

Amanda - No - it's the bling and the big dick

Nurse - Puffy has a big one?

[Dr. Lung is hopping up & down]

Amanda - Wouldn't you like to know

Song - Foolin Around

are you, are darling
